Division of General Pediatrics & Adolescent Health, Department of Pediatrics

Peter Scal, MD, MPH
Associate Professor
Medical Director at St. Joseph’s Home Community Clinic
- Factors influencing services to foster the transition of adolescents with special health care needs to adult oriented care
- Analysis of racial/ethnic disparities in parent-provider interactions among parents of adolescents with special needs

Tom Scott, MD
Adjunct Professor
Interim Residency Director, Developmental-Behavioral Pediatrics
- Resident skill development in DBP
- Early childhood social-emotional development

Rebecca Shlafer, PhD
Assistant Professor
- Risk and protective factors of children with incarcerated parents
- Programs and policies that impact families in the criminal justice system

Nimi Singh, MD, MPH, MA
Assistant Professor
Medical director, Adolescent medicine resident rotation; Medical fellowship director, Adolescent medicine fellowship program
- Adolescent mental health promotion
- Promotion of healthy lifestyle to reduce chronic illness and disability

Mary Jo Spencer, RN, CPNP, MPH
St. Joseph’s Community Health Clinic
- Healthcare for children in foster care, residential treatment, juvenile detention, day treatment, and other out-of-home placements
- Systems of care for children with fetal alcohol spectrum disorders

Michele Strachan, MD, MPH
Developmental-Behavioral Pediatrics Clinic
- Welcoming as large a unit of the child’s support system into the healing interaction as the family is willing to bring, as work on any part of the system impacts the well-being and function of the whole
- Creating and seeing culture and cultural ways of knowing as resources in health and healing

School of Nursing

Barbara McMorris, BA, MA, PhD
Associate Professor
Core Research Director, HYD•PRC
- Prevention of risky health behaviors in adolescence
- Program evaluation, research methods, and complex statistical modeling

School of Public Health

Sonya Brady, PhD
Associate Professor
- Promotion of health protective behaviors among general and vulnerable populations of youth.
- Psychosocial and developmental influences on health risk and health protective behaviors.
- Mechanisms linking stressful life circumstances to risk behaviors and factors promoting resilience.

Dianne Neumark-Sztainer, PhD, MPH, RD
Professor
- Adolescent health and nutrition
- Prevention of weight-related problems including eating disorders, unhealthy weight control behaviors, body dissatisfaction and obesity
- Program development and evaluation
- Family meals
- Yoga and implications for eating and weight-related health.

Fellows

Eunice Areba, BSN, PhD, RN
Mary Christoph, MPH, PhD
Jennifer Doty, PhD
Laurel Davis, PhD
Myriam Forster, PhD, MPH
Diego Garcia-Huidobro, MD
Kari Gloppen, PhD, MPH
Kathryn Hiolski, BS
Kristen Kessler, MD, MPH
Leslie Kummer, MD
Gabriela Lazalde, BS
Christopher Mehus, PhD
Lena Carla Palacios, PhD
Christen Pentek, BS
April Wilhelm, MD
P&A Staff

Kara Beckman, MPH
Senior Evaluator, HYD•PRC; Community Contracts: Big Brothers Big Sisters of the Greater Twin Cities, MN Coalition for Battered Women
- Mixed methods research
- Evaluation of community-based youth development programs
- Systemic bias in evaluation methods

Jill Farris, MPH
Director, Adolescent Sexual Health Training & Education; HYD•PRC
- Training on evidence-based interventions to prevent teen pregnancy and promote adolescent sexual health
- Providing technical assistance to agencies seeking to implement high quality youth programs
- Dissemination of county and state adolescent sexual health data reports

Abigail Gadea, MPP, MSW
Program Coordinator, Promoting Healthy Student Outcomes; HYD•PRC
- Community engagement
- Cultural competence
- Mental health

Amy L. Gower, PhD
Research Associate, HYD•PRC
- Multi-level research
- Health issues of LGBT adolescent populations
- Environmental and social contexts of adolescent health

Emily Regan, MPH
Project Coordinator, YESS! Youth Epilepsy and Successful Self-Management
- Working with youth within a youth development framework
- Conducting rigorous research and translating it for use in real world settings
- Interdisciplinary, community based ethos
- Implementing sexuality education programs for youth and parents

Glynis Shea, BA
Communications Director, Konopka Institute & HYD•PRC; Community Contracts: Hennepin County, Association of Maternal & Child Health Professionals
- Training on the strategic use of media and communications to
  1. Support health research and improve public health practice
  2. Drive the adoption of evidence based policies, programs and practices
  3. Build public support for investing in adolescents

Kristin Teipel, BSN, MPH
